Honey

College dorms are a storehouse of wonderful women like Honey. She is a dirty blonde who loves the dirty fuck. All natural tits, a tight booty, and a perfect smile. This chick is the total fucking package if you ask me! I loved bending her over and pounding away at her sweet pink gash, and spanking that gorgeous lil pale ass until it turned pink. Gotta love college girls!

FIRST ONE - GREAT ONE

Audrey, one sexy MILF Has been highly erotic since she was in college Having quit her job in customer service, she's always had a fantasy to do porn. Having made many videos she loves being filmed fucking on camera, as well doing webcam modeling lately and loves it. This is one sexual woman, she loves sex and aims to please. -- Ed.

When Billy said the pond would be the perfect place to skinny-dip, I told him, "You just wanna see me naked!" But then I grinned, so he'd know I wasn't pissed at him for suggesting it. We'd been hot for each other for some time, and now that we were both id enough, I hoped he was mature enough that we could take things to a higher level. "Okay," I added. "Let's do it!"

Billy stopped nibbling my earlobe, but he kept one hand under my sweatshirt, holding real tight onto one cup of my brand new, satiny-finish bra. I sat up from the reclining car seat and yanked my sweatshirt off. Billy got the 411 when I reached around to unfasten the shiny bra. He gulped air when he saw my tits. They're only B-cups, but they're firm and high, with rubbery, deep-pink nipples. It was the first time any guy had ever seen my boobs.

I unsnapped the front of my denim shorts and leaned back. I parted my knees. Billy leaned over and kissed me, and his hand gave one bare tit a slow squeeze. He pushed into my cutoffs and rubbed my slit through the soft fabric of my hi-leg briefs, which were tight against my juicy slit. I moaned as he kissed the side of my mouth, and the briefs moistened with my flowing juices.

He squeezed my horny pussy-

mound, making me totally needy—too horny to wait another second. "Forget swimming naked," I gasped. "We both want more! We both want to find out what we've been missing, being virgins. Right?" Billy snorted, nodded, and squeezed my crotch again. I said, "Let's get in the backseat and fuck!"

We wriggled into the backseat, and Billy kept sucking and squeezing my tits while I took off my sandals and cutoffs. My panties were totally drenched with juice by the time I hooked my thumbs under the waistband and pulled them down.

Billy kissed my mouth hard the second I was naked. "I gotta taste you!" he said, getting on top of me. The idea of getting my slit licked for the first time was totally radical. But me being starkers while Billy hadn't so much as unbuttoned his shirt was bogus to the max. "Take your dick out first," I said, to get things back in balance. "Let me hold it while you eat me!"

Billy's cheeks flushed darker. Like me, he was a virgin. He'd never had his bare dick in a girl's hand, but he sure didn't keep me waiting. His cargo pants were around his ankles in no time, followed like a nanosecond later by his shorts, which could barely contain his jutting shaft and pink-flushed, bullet-shaped tip.

I'd said I'd hold it, but it just looked too delicious to do only that. I stretched out on the backseat and Billy did the same, only faced the other way. He slobbered on and sucked my wet slit; I licked

up and down the sides of his dick, then put my mouth around his bullet tip. When I sucked him, I found out dick tasted as good as it looks.

His hips started to move, like he wanted to fuck my mouth. I couldn't object, 'cause my hips were doing the same thing, and Billy sure wasn't objecting to the way I was fucking myself on his face. I put a hand around his balls and another over one cheek of his ass. I felt something besides his tongue in my slit and realized I was being gently fingerfucked for the first time—by someone other than me myself. It gave me a small climax. Then he came in my mouth and, wow, that was unreal. I swallowed some, smeared a lot more over my body, and fisted Billy's dick. I was majorly eager for more.

He was still hard by the time he got on top of me. I spread my legs right out, slightly upraised. The slimy stuff clinging to his tip was a natural lubricant, though I was plenty wet myself. His dick was like six inches long, so he got in way deeper with it than his finger ever could. And it was thicker, too. No shit, it felt so good I thought I'd pass right out!

I stayed conscious, happily, though I did wig pretty much when I felt his lunging thrusts take my cherry. I moaned and clawed his chest, and clamped my legs around Billy's surging hips. We just fucked and fucked and fucked. I don't know how else to say it!

Billy kept driving into me, sweat running down his face and his hands pawing my shoulders, squeezing my tits. And I humped myself back up at him, my thighs and hips grinding, my slit spas-

ming wildly. I kept my eyes open, even as I yelped and shuddered and thrashed around. I enjoyed every second.

It was our first time, so neither of us thought of trying other positions. That, I guess, could wait till next time. We were both just happy that time to really fuck for the first time and to come off together. Billy shot a load into my slit while I screamed for joy. It felt way better than fingering myself, and later Billy said he thought so too. Then he finally got naked, and we took that skinny-dipping plunge in the pond to wash up.

— *Monica, Delaware*

ANAL AFTERNOON

Unlike many women my age, I really enjoy anal penetration. I've experimented with it alone using dildos, but I love it best when I'm with a guy who can stick a real cock in me and move it around.

Larry is just that guy and has been enjoying my tight, 30-year-old ass for a couple of months now. When we get together, I always want him to fill my ass with his cock. If there is anything that makes me come quickly, it's having both of my little girl-holes filled at once.

The other day, Larry brought one of his friends over and asked if I'd let him

She's beautiful. No doubt. She's happy for you to imagine she's your girlfriend, your wife, your mistress, or your booty call. Audrey Bitoni can be anything you want her to be. Just close your eyes and let her beauty permeate your imagination. Despite her work in the adult industry she maintains a healthy attitude about what she does, who she does, and who she has become.

Audrey loves it soft and rough and getting fucked in her pussy with the biggest cock it can handle. If the only thing you can see of her as you read this is to go back to her last appearance, then do it if haven't already,

watch. I wriggled out of my shorts in front of the two and flashed them a view of my solid ass. My skin is so firm and baby-smooth that I can't help but show off in front of an eager audience!

I bent over on the floor and pulled my ass-cheeks apart, allowing the boys to look me over from every angle. Larry asked me if I would finger my own ass while they watched. I licked my fingers and dipped them into my ass, moving them back and forth quickly.

Larry and his friend were soon sitting on the couch with their pants around their ankles while I lay down on my back and fingerfucked myself from the front. At that point, I really needed more than just fingers up myself to get off, so I went for the dildo I use on just these occasions. I inserted the dildo up my ass and pumped it in and out as quickly as possible. I was just about to come, but I really wanted to hold out a little longer.

I peeled off the skin-tight tube top I was wearing and let my titties bounce free. I went over to Larry and bent down in front of him. I ran my sweet titties up and down and all over his cock, then pulled back while he shot his semen right up in the air. His semen seemed to shoot out everywhere, but before he could wipe it away I had an incredible urge to do something that we would all definitely enjoy.

Larry shoved first two, then three fingers inside me. I could feel my small pussy-hole widening with his hand when he managed to squeeze in one more finger. Finally, both my holes were properly and tightly filled. I held his hand tense against my pussy while I clenched his fingers in orgasm. My orgasm was brilliant and seemed to last for three minutes.

I looked up at his friend, who was groaning with his head back and eyes closed while he, too, pumped semen in the air. Larry laughed to see his friend in

such ecstasy and promised him more of a show before the day was through.

Next Larry grabbed me by the hips and guided me onto the floor in front of him. He knelt down and started licking all of my most private female areas. We could both take only so much of this before he spun me around and up on my knees on all fours. He turned to his friend and asked if he wouldn't mind helping him out for a minute. He needed his friend to pull apart my ass-cheeks while he pushed his cock inside. His very helpful friend did as requested until Larry was safely inside my ass.

Larry pumped his cock in and out of me as best he could, but no matter how many experiences I've had with anal penetration, my little asshole is still not very big. He pulled out of me with force, and I squealed in pleasurable agony.

Larry returned with a jar of Vaseline and scooped a big glob of it on his finger. Larry slid the Vaseline inside my ass, taking care to spread it all around the inner walls. Once my ass was sufficiently lubricated, Larry dived back in. I'll never be able to express the feeling of such a huge cock up my ass, oily and tight inside me. Our bodies quivered uncontrollably, and he ended up shooting a load of semen right into my asshole.

We both lay back in exhaustion, sweaty, tired and satisfied, thus concluding another successful ass-fucking session.

— Jackie, New York

Audrey is seductive and beguiling and pitch-fucking-perfect. Call it method acting, call it performance art, call it just plain frigging art, this sexy strumpet's going to make you soil yourself so bad you're going to be scrubbing the jizz off for a week.

Imagine Audrey pulling you down on top of her and any idea of where you're going is gone with the first pressing of your lips against her beautiful, inviting body and the thrill of her mouth on your cock. Then you two just can't help yourselves, needing to feel each other, taste each other, connect just one more time. *OK, now you can open your eyes.*

A woman with long brown hair, wearing a black tube top and dark jeans, is sitting in the driver's seat of a dark-colored convertible car. She has her arms raised in the air, palms facing forward, and is smiling broadly at the camera. She is wearing sunglasses on her head, large hoop earrings, a necklace with a blue pendant, and a multi-colored beaded bracelet on her left wrist. The car is parked on a brick-paved area with green bushes in the background.

Eva

It was a nice day out so I decided to rent out a sick convertible. So I go rent one and take that hunk of steel and rubber for a joyride. I was immediately in the hunt for pussymode. Eva was definitely in the mood to flirt too. So we both came to a mutual agreement. She takes a ride in my fly ass car and I gets to fuck her tiny juicy pussy!

GOTTA LOVE SPONTANEOUS SEX

She didn't know who the occupant of the panther costume was, but she did know she was attracted...

It was to be a costume party, and I was in a dither over what to wear. My friend Liz had rented a Marie Antoinette costume—and those things don't come cheap—but I was determined to make my own get-up. I knew I'd probably be outclassed by all the just-perfect rented costumes, but to me, renting a costume always feels like cheating.

Ultimately, inspired by the newest four-legged member of my household, I decided to go as a kitten. I did a creditable job with the whiskers (not just drawn on—I snipped them from an old broom) and the ears and tail (a visit to my local crafts shop netted me the fuzzy material I needed for them, as well as for the paws I made and wore), and a grey leotard, grey tights, and long grey gloves made up the rest.

Yes, I felt outclassed when I saw some of the rental costumes, but enough people fussed over me, saying, "Nice kitty...cute costume!" and giving me teasing pets on the head that I didn't have to tuck my tail between my legs and retreat in shame.

It was fun guessing who was behind some of the masks, though I realized I didn't know all the people there. Liz's face showed under the Marie Antoinette wig, as did some of the other partygoers who wore such costumes as Napoleon, generic rock star, and Fifties woman, though whoever that was wearing a Nixon mask, and many of the other guests had their faces similarly hidden.

One such was a tall, sleek panther. At times the "panther" actually prowled around the party on four legs, but most of the time the costume's wearer walked upright, managing to look sleek and sexy despite the costume. From the panther's height, I deduced that the costume's occupant was a guy, and when he talked to me, the voice, though sexy, was unfamiliar.

It was a voice that sounded like a mixture of smoke and honey, husky and sexy and fine. The panther addressed me as "Cuz," pointing out that we cat family members ought to become acquainted. "Can I get you a saucer of milk...or a fresh drink?"

When I agreed I wouldn't mind, the panther slinkily disappeared with my glass in hand, returning with a refill and the suggestion we go out on the verandah, away from the noise, for a little cat-to-cat conversation.

It took 10 minutes before the panther would even admit to having a human name—"Lee," as it turned out—or occupation—commercial artist. I learned that Lee lives alone, as do I, and likes animals. We were getting on great, and I began to think I'd found a new potential interest. When the tall, sleek panther invited me to his house for "another drink or a cup of milk—your choice—in a little quieter surroundings," I was ready to blow off the party and seek an even more exciting evening.

I got in my car—still in my kitten get-up—and followed the panther (also still costumed) to a secluded house at the woodsy dead end of a street I had never had occasion to drive on before. For a moment, a frisson of fear spiked up my spine as I realized I was following a total stranger to a semi-secluded house.

But my pussy (and I don't mean the kitten costume!) was ruling my body; by now I was in sexual high gear (or should I follow the cat metaphor and say I was in heat?) and primed for an adventure. I had no idea just how much of an adventure it was going to be.

"Let me get out of this hot costume," Lee said when we got in the front door, unfastening the head from the body and unzipping a hidden zipper that stretched from the neck to the crotch of the costume. That was when I got my first surprise. It wasn't just the panther that was black...Lee actually was a black person. I gulped. Though my credentials as a liberal are impeccable, and it's not that I was put off at the thought of interracial sex, still I'd never done it before.

At that point I still had no idea that that wasn't the only boundary I was about to cross. As Lee removed the costume, I saw a slim but muscular pair of legs, an athletic but trim body...and then—migawd, what was that?! Boobs??

The head of the panther suit came off just then, and I saw that it was true—Lee was female!

"What's the matter?"

I must have looked shocked, stunned. I tried to answer her but could only say, "I...I...I..."

Her voice softened. "You didn't know I was black...or you didn't know I was a girl?"

"Both...but...it's okay...I just..."

"You've never had sex with another girl?"

"No...but there was this girl back in college who...she came on to me and I almost...well, it never happened, but I thought about it."

My revved-up pussy decided it didn't care that Lee was female. Lee was sexy. Lee turned me on. I was hot. And I was going to go for it. I returned the kiss and plastered my body to Lee's. Cupping my buttocks, she pulled me toward her and pressed her own mound against mine, grinding against me.

I barely remember how we got to her bedroom or when I shed my costume and she got out of her underwear, but I vividly remember the rich, hot scent of her pussy fumes wafting up to my nostrils as she slipped a finger between my labes and wriggled it against my swollen clit, bringing my bud to full bloom and bringing my juices to a faster flow from my overwrought crevice.

I remember the way her finger circled teasingly around my blooming clitoris, taunting me, making me hunch my hips faster, harder against her, needfully surging forward, trying already to get on that skyrocket toward explosion. And I remember how Lee chuckled at my frustrated frenzy, saying, "Horny little thing, aren't you? Maybe I'd better stop teasing you and let you get off, so you can enjoy the ride the second time."

Then her finger found my clit's tip and began wagging back and forth across it purposefully, staying right on target. Lee's mouth latched onto mine, her tongue invading my mouth, her lips pressing to mine and spreading them wider. Her breath was hot in my mouth, spreading flames that seared my soul and sparked my pussy to a wilder conflagration. Her petite but firm mounds mashed against my own breasts, the nipples duelling, then sliding off-center and drilling into my own supple breastflesh.

Lee's own excitement began to manifest itself in a sudden series of hunches as she ground her pussy shamelessly against my leg and wet my thigh with her womanly essence. A series of groans issued from her throat as her hunger swelled within.

I slid an uncertain finger down her sleek, supple skin, headed down toward her pussy, wanting to give her the same relief she was bent on

giving me, but she put a hand out to impede my progress. "Later," she husked, wriggling her finger faster on my bursting clit.

I was rising fast toward my peak. My breathing was a cascade of gasped groans. My body was tensed so tight it must have felt like concrete. Sweaty all over, I could smell my need arising from my pores and perfuming the air of the room with my personal scent.

Lee's finger speeded up. Her touch was light, teasing. She knew

not to drill me with rough rubbing. Her motions were knowing, the touch of another girl who knows what a girl needs to get where she wants to go. And I was getting there. Closer...closer...closer...closer. I gasped out my need, threw my body around on the bed, wildly thrust my pussy up in the air, gulped in oxygen as I strove to get off.

And then I could feel it...the climax I needed so badly...the orgasm I was working so hard to get...building in me...building...building...almost there.... I gave one last gasp, wildly flung my body forward, up into the air, shrieked, groaned, and felt the sensations flood through my body, the relief, the exultation, the pure bliss.

My whole body tingled. My soul sang. My pussy quivered. My body trilled a song of joy and then collapsed inward, sated, exhausted,

drained, unable to process the plethora of good feelings that glowed all through me.

Lee's finger continued its stroking on my clit as a series of aftershocks quaked through me, but she gradually slowed, then finally came to a stop just as I was about to protest that I was too sensitive for any more touching. She knew. She knew just when I needed her to stop...without my telling her. A sense of wonder flooded through me...followed quickly by a

let my tongue loll lazily around each nip, then more purposefully swiped across the brown buttons, one and then the other, licking at the stiffening nipples and causing a palpable series of shudders, a discernible wave of need, to course through her body.

When I finally tore myself away from her boobs—it wasn't easy—I travelled by tongue. No longer kissing my way down as I had been when I started, I was licking closer and closer to her pussy, crossing her tummy eagerly and speedily, slowing down only when I reached the uppermost reaches of her pubic thicket.

Her fragrant triangle seemed to be an arrow pointing down, so I took my cue from it and went where it was pointing. Tonguing my way through the vast forest of pubic curls, I felt the hairs tickle my tongue and my lips as the rich, heady scent of a woman in heat sailed

up my nostrils and into my soul... and down to my pussy, which once again fluttered into wakefulness.

By the time I reached the juncture of her torso and legs, my head was buzzing as if a swarm of honeybees had taken up residence in it. And it was easy to believe there had been bees somewhere around when I dipped my tongue into her slit and discovered her honey. The thick syrup had a sharp taste, but I was delighted to find that it wasn't at all unpleasant or off-putting. Swallowing greedily, I dipped in.

My tongue traced a path up and down her slit, exploring, familiarizing itself, become acquainted with the terrain of a pussy as it felt (and tasted) from the inside. Her needy, greedy body lurched all over as she humped up and down and mewled appropriately catlike sounds in her heated, horny state.

At last I zeroed in on her plump

grape of a clit, swirling my tongue around and then coming to rest on the top. I flipped my tongue back and forth on the point of the thing and flicked it insistently, demanding. Reaching up, I made contact with her nipples and thumbed them while I scarfed at her wiggly clit-button. "Oh, yessss!" Lee seethed as my thumbs rubbed the flat tops of her nipples. Her brown skin shone with a sheen of sweat as she wriggled and bounced on the bed. As her breaths grew more strained, her intakes more hissed, her moans louder, I knew she was only moments from getting off a good one.

Speeding up, I tongued her faster, making my suddenly double-jointed tongue accomplish athletics I wouldn't have thought it capable of. The heady, acrid womanscent of her muff was rich and strong and pungent, swirling up my nose to inflame my brain. Then suddenly she was holding my head with her hands, her nails digging into my scalp as she gasped and thrust her muff up against my face. She screeched in total abandon, yelling with no shame, and I remembered gratefully that her nearest neighbors were none too close.

When her spasms subsided, I moved back up the bed to lie close to Lee and hold and be held. "Look at you," she laughed and proceeded to lick her essence from my juice-streaked face. Then we snuggled.

We lay there talking, and later on she went down on me, and still later I used a vibrator on her...well, two vibrators—a small one up her butt and a bigger one on her clit.

I've thought about it since then: Would I have gone home with Lee if I'd known the occupant of that panther suit was another girl? Probably not, though I can't be sure. I am sure that I'm glad things turned out as they did. I've seen Lee quite a few times since the party. I've even been trying to keep an open mind about other girls as possible sex partners.

But a sleek panther like Lee is hard to find.

desire to return the favor. She was hot; she was horny; it was time for me to do her as she had done me.

Or maybe more. Maybe I would be really daring (could I do it?) and lick her to climax! I was going to find out, going to try to put my tongue on her clit, in her slit, up her hole, and see if I could handle it. (If not, I could always just do for her as she had done for me.) So, slowly, I worked my way down her body.

I started by kissing her chin. That was all. Just a grazing kiss south of her mouth, but from there I kissed my way under her chin, down across her adam's apple, past her throat to the base of her neck and, without stopping, down to her chest. There her breasts distracted me, and I stopped to kiss each nipple, then graze it with my teeth, then lick. My tongue swirled around her stiff brown peaks and felt her nips stiffening in response to my torment. I
